

City of Evans Recreation Extreme Volleyball

Grades 3-6

The Extreme Youth Volleyball Program is a recreational soccer program aimed to providing a fun and safe environment for kids to participate in organized volleyball. Teams will practice twice a week and games will be played on Saturdays. This league participates with the Northern Valley Athletic Association. The games are held at different locations in Weld County. The cost of the program is \$32 and \$15 for the Jersey. Jerseys will be used for multiple sports. Please visit www.cityofevans.org to register or to view the rules and the Recreation Divisions Policies and Procedures.
