

Cleanup Program & Hazardous Waste

The City has a cleanup program for residents each year in the spring & fall. No hazardous wastes such as freon, pesticides, enamel paint or used motor oil will be allowed. No car parts such as fenders, doors, car batteries or frames will be permitted. For information on household hazardous waste, contact the Weld County Health Department at 304-6415 ext. 2233 or visit their website by clicking [here](#).
