

Neighborhood Services

The City of Evans recently formed a Neighborhood Services team that include staff from Community Development, Customer Service, Economic Development, Fire, Parks and Recreation, Police and Public Works. Our focus is on building partnerships with residents and the business community to improve the beauty and prosperity of Evans. Our focus this year is on weeds, trees, brush, junk, trash, inoperable vehicles, and fences in disrepair; and in coming years we will continue to incorporate other services into this team concept.
