

## Watering Restrictions

Watering restrictions have been set as follows:

A. The use of water for sprinkling of lawns, gardens, and trees will be permitted on scheduled days except between the hours of 12:00 noon and 5:00 p.m. For fixing the date upon which water may be used for sprinkling, the water customers of the City of Evans are divided into two divisions as follows:

1. Single family residences with even-numbered building addresses shall use water for sprinkling on Sunday, Tuesday, and Thursday of each week, and single family residences with odd-numbered building addresses shall use water for sprinkling on Monday, Wednesday, and Saturday of each week.
2. All other properties including commercial, multi-family residents, apartments, government, and non-profit organizations shall use water for sprinkling on Sunday, Tuesday, and Friday of each week.
3. The use of water for sprinkling of lawns, gardens, and trees on certain grounds served by the Evans water system will be permitted during the twenty-four (24) hour periods of each day of the week. The grounds to which this paragraph refers include, but are not limited to, the following:
  - (a) City of Evans public grounds, School District 6 grounds, and other private properties with multiple addresses having large irrigated areas.
  - (b) Newly seeded or sodded lawns less than three months old.

B. The above listed restrictions shall become effective at 12:01 a.m. on April 15 and shall be in effect until October 15, except that heavy use athletic fields, as determined by the City, may begin watering on the third Monday in March of any given year.
