

Building Code

The Building Division administers and enforces Evans' Building Code which provides minimum standards to control the design, construction, quality of materials, use, occupancy, location and maintenance of all buildings and structures.

The current code consists of the following:

- International Building Code 2006
- International Residential Code 2006
- International Plumbing Code 2006
- International Mechanical Code 2006
- International Fuel/Gas Code 2006
- International Fire Code 2006
- National Electrical Code 2008
