

## Youth Sports

**The City of Evans offers sports year round for children from age 3 up to 8th grade.**

### 3-5 Year Old Sports Class

The City of Evans offers kids the ages of 3 – 5 the chance to participate in a sports class that will help prepare them for playing youth sports. Our first class is Tiny Tots Sports, which is for 3 and 4 year olds. In this class, 3 different sports are covered with the emphasis on learning the fundamental skills of each of these sports. The class will be made into stations that the kids will go through to learn these skills. This is a parent involvement class, so it is a good opportunity for the parents to spend some quality time with their child. Our 4-5 year old class is to be sports specific to the season. In this class, fundamental skills of the sport are still being built, game play is added into the class so that the children are more prepared for the next step of playing on a youth sports team. This class will be formatted with stations for the first half of the class and a game in the second half of the class. Also, this class is parent involvement.

### Hot Shot Sports

The City of Evans Hot Shot Sports Program is for kids ages 5 to 8 years old. The Hot Shot program is designed for children to learn the basic fundamentals of the game in a fun and safe environment. With this program, the teams will practice once per week with games on Saturdays, all games will be played in Evans (except for Volleyball which will play with the Northern Valley Athletic Association which will have games all throughout Weld County). Teams will be formed by where the child goes to school, on a first come first serve basis. If there are not enough participants from one school, then they will be combined with another school to form the team. The sports that are offered through Hot Shot Sports are: Volleyball, Soccer, Flag Football, Basketball, T-ball, and Coach Pitch.

### Extreme Sports

The City of Evans Extreme Sports Program is for youth in 3rd - 6th grade. Our Extreme program is designed for children to learn the basic fundamentals of the game, develop the skills needed to play each sport, and teamwork. With this program, teams will practice twice per week with games on Saturdays. The Extreme Sports program plays in the Northern Valley Athletic Association (NVAA), which include the towns of LaSalle, Kersey, Eaton, Plattville, Erie, Fort Lupton, Carbon Valley, and Keenesburg. Games can be played at any of these sites during the season. Teams will be formed by where the child goes to school, on a first come first serve basis. If there are not enough participants from one school, then they will be combined with another school to form the team. The sports that are offered through our Extreme Sports are: Volleyball, Soccer, and Basketball. Extreme Baseball and Softball will be played with Greeley Evans Youth League, which will play games at the Youth Sports Complex in Greeley.

### Middle School Sports

The City of Evans Middle School Sports program is for youth in 6th – 8th grade. Our Middle School program is designed for the children to develop the skills needed for each sport, learn strategy for each sport, and work on teamwork. With this program, teams will practice at least two times per week. Games will be played during the week or on Saturdays and will be played in Evans (except for Spring Volleyball and Soccer, which will play with NVAA and have games throughout Weld County). The sports that are offered through our Middle School program are Volleyball, Basketball, and Soccer.
